SCHOOL COUNCIL ELECTIONS - 2016
As the number of nominations did not exceed the number of School Council vacancies, elections were not required for either the Parent or DET Employee categories.

I would like announce that Sandy I’Anson, Anne Kirby and Stephen Liddicoat re-nominated for another term as Parent Category members. Sandra Luitjes and Chris Blackie were appointed to fill the vacancies in the DET Employee category.

I would like to thank all members of the 2016 College Council for agreeing to volunteer their valuable time to support the ongoing development of Merbein P-10 College.

I would also like to again publically thank retiring council members: Tim Dreyer (DET Employee Category) and Greg Mann and Graeme Worthington (Co-opted Community Category) for the valuable contribution they made to our School Council throughout 2015.

Next week a special co-option process will take place to complete the appointments to all council membership categories. On 9th March, a meeting will be held to elect office bearers.

STOMP CONCERT REPORT
It was terrific to see so many parents and family members attend the Stomp Dance Concert last Friday evening. The gym was packed and the audience was treated to some energetic performances by the primary children from Prep through to Year 6.

Congratulations to Aimee, the Stomp Dance Teacher, who did an amazing job motivating and teaching the students, enabling them to reach a performance standard within a week.

I would also like to thank all the staff in attendance on the night, ensuring the event went smoothly. Thanks also to Jess Williams and the Year 10 Student Representative Council (SRC) Executive students who set up a drinks stall in the gym foyer.
Students of the Month

Congratulations to the following students who have received the Student of the Month Awards at last Friday's assembly.

CONVEYANCE ALLOWANCE/ BUS PASS – Mr Rhodes
The Department of Education have a policy that provides free bus travel to eligible students. The key criteria states that the students’ normal place of residence must be more than 4.8km from their nearest school travelling via the most direct route. The Conveyance Allowance Applications completed by families at the beginning of the year are entered into a Data System that is then accessed and assessed in Melbourne. The decision about eligibility for the Conveyance Allowance is determined by the Family Payments Section of the Department of Education.

Aside from the Conveyance Allowance our college also has two contract buses to service some of the areas to the west of Merbein. No bus pass is required to access these two buses, although the same eligibility criteria is used to determine students that are able to access the use of the bus. If you have any questions about the Conveyance Allowance Guidelines or procedures please contact Mr Greg Rhodes at school.

STUDENT ABSENCE

STUDENT ABSENCE

STORM PERFORMANCE REPORT – Mrs Finn
Well done to all our students who participated in the Stomp Dance Performance. It was fantastic! The students learnt all their dances in just five days. It was a brilliant effort! Thank you to all the parents for coming and supporting their children's creative efforts. The night also provided a great opportunity for teachers to meet with parents in a relaxed and informal setting. We hope parents enjoyed this opportunity as well.
Thanks also to Jess Williams and the Student Representative Council (SRC) for selling drinks on the night. A few more photos below.

GRADE 5-6 NEWS – Mrs Gardiner

Home Reading - Families are reminded that their child must read for a minimum of thirty minutes, four nights per week to improve. Their reading log MUST be returned each week, either on Tuesday or Thursday.

Teachers Arrangements - Mr Chivers will be teaching in the Grade 5-6 Unit over the next two weeks while Ms Ogden and Mr Lord are participating in Professional Development.

Homework - Just a reminder that students are continuing to investigate Natural Disasters as part of Inquiry Sessions. Please assist students by encouraging conversations around this. Mrs Grimmer and Mrs Gardiner’s Literacy Class will be bringing home their next ‘Talk Homework’ for their ‘Big Write’ next Tuesday. Please take the time to discuss this with your child as it will assist them in their writing the following day.

No Art Smock – No Art - Some students still need to bring in an art smock. If students do not have an art smock, they will not participate in next week’s art lesson.

Grade 5-6 Art Theme – ‘Connecting With Our College Community’. Students in Grade 5-6 have been involved in an art project where they are contributing and connecting to the learning spaces of our college. Each group of three or four students have had a 27 litre bin to re-design and decorate. Students are well on the way to completing their projects, so we will soon see their brightly coloured and decorated bins all around the college.

Weekly Assembly Awards - Congratulations to last week’s award recipients at the 5/6 Assembly.
ART SMOCK - Jodie Atkinson
Art smocks are required for every child. The smock can just be an old shirt of mum or dads or from the op shop. It needs to be able to cover your child’s uniform to keep it clean during creative art lessons.

ART DONATIONS PLEASE - Jodie Atkinson
The Grade P-2 Art Program requires cardboard foil/cling wrap cylinders. If you can help, please send them along to school as soon as possible.

LEVIES – PRIMARY PARENT PAYMENT 2016
Thank you to the parents who have paid their levies. If you have not paid your levies, please call into the school office and do so as soon as possible. SECONDARY NEWS

YEAR 7 IMMUNISATIONS– Mr Rhodes
The first round of school immunisations will take place on Tuesday 8th March. All year 7 students have been given Immunisation Cards. The school Immunisation Program is an important health initiative in all Australian schools. The immunisations help protect students now and in future years from potentially devastating diseases and viruses. All students should return their completed cards to the general office ASAP.

LOCKS ON LOCKERS– Mr Rhodes
All students are responsible for the security of their own equipment at school. We have supplied lockable lockers and have cameras set up at most locker locations. If a student has a BYOD computer or Ipad they MUST supply and use a lock on their lockers. It is strongly advised for all other students to use a lock on their lockers also, to ensure security.

SUN SMART– Mr Rhodes
All students have had our Sun Smart Policy explained at a whole school assembly. The policy was attached to a previous newsletter. The key message is that students need to take measures to protect themselves against over exposure to the sun’s rays. At this time of the year the UV levels are regularly above safe levels between 9.30am-5.20pm each day whether the temperature is hot or cool. Each day students receive information about temperature and UV levels in the Daily Bulletin. Please ensure you supply your child with appropriate sunscreen. Students can safely lock their sunscreen in their lockers and use when required.
**YEAR 8 CAMP** – Jess Williams

Year 8 campers need to bring back their Camp Medical Forms and pay the remainder of the camp costs *before the end of next week*. Please speak with Yvonne Matotek at the office to arrange a payment plan if needed. Thank you.
