Have you had previous employment experience, such as a part-time, weekend or holiday job involving animals (give details)?

_________________________________________________________________________________________________________________________________________

Have you ever been injured by an animal? (If YES: what caused the incident, and how did you react? What would you do to prevent such an incident from happening again?)

_________________________________________________________________________________________________________________________________________

Are there animals in whose presence you don't feel comfortable or confident?

_________________________________________________________________________________________________________________________________________

Do you have allergies to any animals (e.g. fur, saliva) or feed (peanuts, wheat, grasses, hay etc.)?

_________________________________________________________________________________________________________________________________________

Is there any other information you think could be relevant in assessing your suitability?

Statement by parent or guardian:

The information provided here is accurate to the best of my knowledge. I have read the guidance material above, and the Department of Education & Training Fact Sheet Work Place Hazards in Working with Animals, and am aware that work experience in an environment where animals are present may involve exposure to risk arising from the unpredictable nature of animal behaviour.
